Erin²,

Headsup!! Please note, December 27th is building up to be a big RA signature day for ARD. We have the following documents pending concurrence and targeted for signature (attached are fact sheets). From what we can tell Ken will be in the office, is this the case? Do you think this will be doable?

SIPs

1. Texas SSM (Final Action): Withdrawal of Substantial Finding Inadequacy of Implementation Plan – Affirmative Defense Provisions
2. Albuquerque (Final Action): Second set of Air Permit SIP Revisions
3. Oklahoma 2015 Ozone iSIP (Proposed Action): Action to approve Oklahoma 2015 Ozone iSIP
4. Louisiana Stage II Vapor Recovery (Proposed Action): Approve through proposed rulemaking a Louisiana SIP revision to remove the Stage II gasoline vapor recovery regulations that pertain to the Baton Rouge area and Point Coupee Parish.
